

Restaurants celebrate Earth Day with eco-friendly food, drink and more

By **Patricia Cobe** on Apr. 19, 2024

Multi-mission coffee growing

Oakland, California-based Peerless Coffee & Tea released its first ROC or Regenerative Organic Certified coffee blend. The blend combines coffees from Coop Soppexcca Las Hermanas in Nicaragua with bird-friendly washed beans from Coop Asprasar in Colombia. The former is Fair Trade certified known for gender inclusion and empowerment of female farmers. Along with Earth day, the ROC coffee commemorates the 100th anniversary of Peerless.

Earth day, the ROC coffee commemorates the 100th anniversary of Peerless.
